

Manning, Cooper and Associates Ltd

Position: Project Manager

Manning, Cooper and Associates Ltd is a consulting firm working in the fields of environmental assessment, wildlife management, applied forestry, and landscape management.

MCA Ltd. maintains three offices in British Columbia: Head Office (Parksville), Northern Interior Office (Prince George) and Northwest Office (South Hazelton). MCA is currently seeking a Project Manager for our Prince George office. The Project Manager will be responsible for managing the Prince George office, supervision of staff, development and delivery of projects, participation in field studies, and liaison with clients. Only those seeking a fulfilling career position in the environmental consulting field need apply.

The successful candidate will have a post-graduate degree (wildlife biology, forestry or environmental science) plus 5+ years of relevant experience. Strong communication skills are essential, as is the ability to multi-task and work in a team environment. The candidate should have expertise in one or more of the following areas:

- Bio-Statistical analysis
- Environmental Assessment
- Fisheries
- Wildlife biology
- Plant ecology
- Applied forestry

MCA provides competitive salaries and benefits. To apply please email resume to John Cooper: jcooper@manningcooper.com.
